## 2 TROOPS OUT OF 3 AT 11,000 YARDS

### Cambridge Boys in Coast Artillery Establish Record at Fort Strong.

BOSTON, Mass., Aug. 22.—The principal discussion at all the forts in the harbor today, both by the regular army men and members of the militia, has been the magnificent marksmanship by the Cambridge boys, members of the Sixth company coast artillery corps, N. G. M., commanded by Capt. H. Stanley Cushing.

The service shooting took place at Fort Strong, Boston harbor, Saturday, and the supervisors, who made the report today, credit the company with two clean hits at 11,000 yards (4 1/2 miles) with the big guns, a record for both the army and the militia.

The three shots were fired in two minutes and 48 seconds, and the first shot came within 18 yards of being a hit.

**Wittmann's Helpless Family Aided.**  
The desperate situation of a middle-aged couple, the husband fatally ill, the wife absolutely broken in health, with five children—the youngest, a four-month-old baby—dependent upon them for support, while the only breadwinner of the family, their eldest son, is now serving on the Mexican border with his regiment, was relieved by the Massachusetts volunteer association today.

**McCall Will Call Extra Session.**  
Governor McCall has practically decided to ask the executive council to call a special session of the Massachusetts legislature. The compelling reason for the special session is the disagreement and court proceedings over the assignment of representatives to the legislative districts in Boston, and the possibility that the voters of this city may be disfranchised unless the legislature acts.

**Militia Legislation Planned.**  
In addition, the governor believes that the general court should pass legislation which will make it possible for the members of the Massachusetts militia who are now on the Mexican border to vote, and should also make provision for the care of the dependents of the soldiers and for transportation of those members of the militia who are coming home.

**Married After 27 Years Trial.**  
Fred and Annie Miller, of Pepperell, who have been living together in the city for 27 years, were legally married yesterday evening in the Methodist parsonage, by Rev. W. H. Beers, while practically half of the population of the town stood on the veranda, lawn and street and gave the bride and groom a great reception, with ringing of bells, singing and cheering.

**Four Are Drowned.**  
The following drownings took place: Ernest Roy, 11, of 10 Waller avenue, Worcester, in Curtis pond; Margaret Lowrey, 15, of Stone street, Walpole, in Clark's pond; Nicholas Diden, 19, of 153 Shrewsbury street, Worcester, in Bell pond; Francis A. Messier, 21, of
